The  
Colonel  
Says:

The traveler, who was asked by a clerical-looking fellow-passenger—whether or not he drank, may have been justified, before answering, in asking whether the question was an inquiry or an invitation. But my advice to you, sub, is "Let not opportunity slip between your fingers." Take it, whenever such a query is put to you, as a *pressing invitation*, provided, sub, that there is within convenient reach a supply of

Wooden manholes ornament Dayton street and many other asphalt paved north side thoroughfares. The public paid for iron manholes but never got them. Occasionally when one of the wooden one wears through a flour barrel is stuck in the hole until a new wooden one can be put in.

Orchard street, but recently paved with asphalt, is being torn up to lay big iron mains that should have been laid before the street was paved.

Dossens of other North Side streets are to be ruined in this way.

Webster avenue, Clybourne avenue, Larrabee street and others have either been destroyed or are in process of destruction.

The board of local improvements apparently exists and has existed for years but for one thing—the drawing of salaries and the enrichment of contractors.

If there was as much public spirit in Chicago as there is in Constantinople, some of these fellows would either test the stretching power of rope or, in default of ball, be trying the table de hôte at the county jail.

Loop figures of vehicle casualties for three years are interesting. Here they are, with the various engines of destruction:

	Killed.	Inj'd.
Newspaper delivery wagons	36	484
Automobiles	3	181
Street cars	16	320
Teams	4	17
Motor cycles	1	9

John J. Coburn is the right man to place on the Superior Court bench.

Clean out the municipal bench next year.

This "deadly drinking cup" fad is a bonanza for somebody. The paraffine drinking cups cost 3 cents per hundred to make and sell for one cent each. Slot machines have also appeared where it costs one cent to get a drink of water.

John J. Coburn is the right kind of a man to place on the bench and his candidacy for Superior Court Judge is worth the support of everybody.

Judge Joseph H. Fitch has proven by his record that he is an able and painstaking judge. His re-election is recommended.

John J. McLaughlin can at all times be found working in the legislature for the best interests of the people. He is an able and fearless public official.

Clean out the municipal bench next year in the interest of law and order.

Daniel L. Cruick is the right kind of a man to place on the bench and his candidacy for Superior Court judge deserves the support of all good citizens.

John J. Coburn is a winner for Superior court judge. His candidacy is gaining in strength every day.

Daniel L. Cruick is daily gaining votes for his candidacy for Superior court judge on the Democratic ticket and he should win. Mr. Cruick has a host of friends and admirers in every ward in the city and no man is better qualified to sit on the bench.
